Indiana Department of Environmental Management
Office of Air Quality, Compliance Branch
100 North Senate Avenue
Indianapolis, IN 46206-6015

Attention: Commissioner, Office of Air Quality

Subject: 2nd / 2008 Quarterly Air Report

Reference: CP 003-4713, Pit ID No. 003-00010

Dear Commissioner:

Enclosed is the second quarter 2008 Quarterly Air Report for the air emissions control source covered by Permit No. CP 003-4713, Pit ID No. 003-00010. This equipment is not currently being operated.

The soil vapor extraction remediation system located at the former ITT Aerospace/Communications Division's facility at 3700 east Pontiac Street, Fort Wayne, IN was turned off April 22, 2005. No equipment remains on site. ITT intends to retain this permit in the event that this activity may resume.

If you have questions, do not hesitate to contact me.

Respectfully,

Mary T. Hatch
