Attention: Commissioner, Office of Air Quality
Subject: 3rd / 2006 Quarterly Air Report
Reference: CP 003-4713, Pit ID No. 003-00010

Dear Commissioner:

Enclosed is the third quarter 2006 Quarterly Air Report for the air emissions source covered by Permit No. CP 003-4713, Pit ID No. 003-00010. This equipment is not currently being operated.

The soil vapor extraction remediation system located at the former ITT Aerospace/Communications Division's facility at 3700 East Pontiac Street, Fort Wayne, was turned off April 22, 2005. All equipment remains on site. ITT A/CD intends to retain this permit in the event that this activity may resume.

If you have questions, do not hesitate to contact me.

Respectfully,

Mary T. Hatch

Attention: Commissioner, Office of Air Quality
Subject: 1st / 2006 Quarterly Air Report
Reference: CP 003-4713, Pit ID No. 003-00010

Dear Commissioner:

Enclosed is the **REVISED** first quarter 2006 Quarterly Air Report for the air emissions source covered by Permit No. CP 003-4713, Pit ID No. 003-00010. This revised report is to correct the typographical error on the original first quarter 2006 report which listed the months as October, November, and December instead of January, February, and March.

This equipment is not currently being operated. The soil vapor extraction remediation system located at the former ITT Aerospace/Communications Division's facility at 3700 East Pontiac Street, Fort Wayne, was turned off April 22, 2005. All equipment remains on site. ITT A/CD intends to retain this permit in the event that this activity may resume.
