Dear Mr. Petzold:

Re: RCRA ID Number: **INDD081530362**
Location: Golden Casting Corporation
1616 Tenth St.
Columbus, IN 47201

In response to your Hazardous Waste Handler Identification form dated November 12, 2003, the following information has been updated regarding the above-mentioned facility:

- **Hazardous Waste Generator Status: Large Quantity for 2003. Installation will retain Conditionally Exempt Small Quantity Generator status thereafter.**
- **Installation Contact: Doug Bailey**

Enclosed is a new Hazardous Waste Handler ID form that reflects the changes. If anything on the form is incorrect, please indicate the changes and return the form to me. If everything is correct, you may keep the ID form for submitting changes in the future.

Please note that pursuant to IC 13-22-4-3.1, an Annual Manifest Report must be submitted to the Indiana Department of Environmental Management (IDEM), on forms provided by IDEM, beginning March 1, 2002 for all small quantity generators, large quantity generators, and treatment, storage, and disposal (TSD) facilities. The Annual Manifest Report will summarize a company's hazardous waste manifest shipments sent and/or received. Small quantity generators are required to submit the Annual Manifest Report by March 1st of each year. Large quantity generators and TSD facilities must submit the Annual Manifest Report for even-numbered years and the Biennial Report for odd-numbered years. Please review the enclosed "Fact Sheet on Annual Manifest and Biennial Waste Reports" for clarification on the reporting schedule.

Re: Change in Status FID INDD081530362

Dear Ms. Hanson:

Attached is a change in status form for Golden Castings of Columbus, Indiana (IND081530362). This facility has gone into bankruptcy and is currently being cleaned out. Because of the clean out, the facility will fall into the large quantity generator status for 2003. After the clean-out, we will re-notify to deactivate the ID number due to the business shutting down.

Please call me at 317-709-0081 if you have any questions in regards to this issue.

Sincerely,
