Re: Raybestos Products Company

Dear Ms. Klem:

In response to your November 29, 2004 letter, we are enclosing some of the documents that you requested. The enclosed documents respond to your request for information pertaining to 2004 Shelly Ditch and Sugar Creek samples, and information related to the continuing negotiations with US EPA concerning the potential for further Shelly Ditch remediation. We still are compiling the stormwater-related information and will forward that as soon as possible.

Sincerely,

WILDMAN, HARROLD, ALLEN & DIXON LLP
