RE: Deed Modification of FP# 49-12 Resource Recovery Ash Monofill

Dear Jerry,

Your office had requested that a Deed Modification be made for the FP #49-12 Belmont Ash Monofill as it is in post closure. The enclosed drawing, 2003 Final Closure As Built (updated May 2010 for deed notation) was stamped "RECEIVED FOR RECORD" by the Marion County Recorder's office on June 16, 2011.

All requested IDEM requested information was noted on the drawing.

This completes the Deed Modification requirement. If you have additional questions, let me know.

Respectfully,

Robert J. Masbaum, Jr., P.E.
