Dear Mr. Kavanaugh,

I received the August 23 response regarding the Supplemental Investigation Work Plan, Area 1 for the Pontiac Street Facility at 3700 East Pontiac Street, Fort Wayne, IN (ref: VRP #6961207 and 6971010). To ensure I receive these in a timely manner please address them to my contact information below. This memo was addressed to David Koepper who was the previous contact for this site. Please let me know if this form of notification for the change of Project Manager is adequate or if you need something different.

Thank you

Kindest Regards
