Re: Receipt of Application

Waste Management Indianapolis East Recycling & Transfer Station

Marion County

SW Program ID 49-49

Dear Mr. Sendama:

On April 2, 2024, we received your application for a Permit Renewal. This application proposes to renew the facility's permit for another five years.

I will coordinate the review of your permit application and notify you of its status at various stages of the permitting process. Please direct all correspondence to me via email at KWren@idem.IN.gov.

We will review your application to determine if it includes all information required for this type of application. If any information is missing or additional technical information is needed, we will notify you. You must submit the requested information within 60 calendar days of receipt of our notification.

Since we received your renewal application more than 120 days before your existing permit's expiration date of April 12, 2024, your current permit remains valid while we continue review of the renewal application (IC 13-15-3-6).

Visit on.IN.gov/survey or scan the QR code to provide feedback.

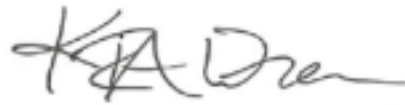

We appreciate your input!

Enclosed for your records is a copy of the Notice of Application to Local Officials. We sent this notice to local officials that you identified as being affected by the application.

If you have any questions, please contact me by dialing (317) 233-7090 or by e-mail at KWren@idem.IN.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kira Wren".
