I am not sure, I believe they mean the cover sheet which should already be attached, maybe they want it to be the first page if it is not already? And I thought they left it on record/display until public notice is started, or ended, I am unsure of the specifics.

Thank you Emily,

The library wanted us to include a cover letter that states what the permit is for and also wanted to know how long it needs to be on

display. I didn't see any forms or instructions for this cover letter on the IDEM website. Is there a form we can use for this or should we simply put the business name and permit number? Also, how long does it need to be on display at the library?

Thank you,
Evan

If you sent it to the Mishawaka-Penn-Harris Public Library located at, [209 Lincolnway E](#), listed on the application, they should accept it. The email I have listed for that library is mishawakalibrary@mphpl.org if you need another way to get in contact. Although when did you submit it to that library? It is supposed to be submitted within ten days of submitting the application to IDEM.

Hope this helps,

Good morning Emily,

I'm confirming we have to submit a copy to the public library. Ryan sent one and they returned it with a note that they "don't process IDEM permits." Since this is a renewal, does the library still need a copy? I believe the permit would already be on file from the original application.

Thank you for your help,

Evan
