Re: Annual Title V Compliance Certification  
Part 70 Permit No. T169-42286-00003

To Whom It May Concern:

The Ford Meter Box Company, Inc. certifies that it has been and continues to be in compliance with the provisions established in the following permits as noted in the attached Annual Compliance Certification:

- SPM 169-45505-00003 (issued September 13, 2022).

This certification covers the period from January 1, 2023, through December 31, 2023, and is duly certified by a "responsible official".

The U.S. EPA Federal Register 79 FR 54978 notice does not exempt Title V Permittees from the requirements of 40 CFR 70.6(c)(5)(iv) or 326 IAC 2-7-6(5)(D), but the submittal of the Title V annual compliance certification to IDEM satisfies the requirement to submit the Title V annual compliance certifications to EPA. Therefore, The Ford Meter Box Company, Inc. hereby notes on our Title V annual compliance certification that submission to IDEM has satisfied reporting to EPA per Federal Register 79 FR 54978.

Please contact me should you have any questions concerning this matter.

Sincerely,

John Haney  
Environmental Engineer
