Dear Jeremy Stillman:

A representative of the Indiana Department of Environmental Management (IDEM), Office of Air Quality (OAQ), has reviewed a permit referral concerning SAIC located at 3290 16<sup>th</sup> Street in Bedford, Indiana. As a result of information obtained during that review, IDEM alleges a violation of 326 IAC 2-6.1-6 has occurred.

At the time of the review, the following violations were noted:

- 1) SAIC constructed and operated emission equipment prior to obtaining a Minor Source Operating Permit revision.

The Office of Air Quality will not take legal action at this time. However, any such violation(s) in the future may result in legal action being pursued. Please direct any questions to Daniel Roos, Compliance Inspector, at 812-582-0614 or by email at [droos@idem.IN.gov](mailto:droos@idem.IN.gov). Thank you for your attention to this matter.

Sincerely,
