Dear Mr. Davies:

The Indiana Department of Environmental Management (IDEM) has received a letter dated November 14, 1990, from Canonie Environmental requesting an extension of time to complete closure activities. Canonie Environmental made the request on behalf of Safety-Kleen Corporation. The letter stated that the extension to complete closure is requested in order to complete the supplemental extent of contamination investigation and the risk assessment.

Upon review of the letter, the IDEM grants an extension of one hundred eighty (180) days to complete closure activities. Closure activities must be completed within one hundred eighty (180) days of receipt of this letter.

If you have any questions concerning this matter, please contact Mr. Phil Perry at AC 317/232-3397.

Sincerely,

Extension of Time Request for Closure
Of Underground Storage Tanks at the
Safety-Kleen Fort Wayne, Indiana
Service Center IND 0007154666

Dear Mr. Perry:

Canonie Environmental Services Corp. (Canonie) on behalf of Safety-Kleen Corp. (Safety-Kleen) is requesting a 180-day extension for completion of closure activities at the above-referenced facility. The time extension requested will allow us to complete the supplemental extent of contamination investigation and risk assessment as discussed relative to your August 13, 1990 letter. The time extension will also facilitate the review of the risk assessment by the Indiana Department of Environmental Management.

If you have any questions, please feel free to call me at (219) 926-8651 or Mr. Scott Davies of Safety-Kleen at (708) 697-8460, extension 2216.

Very truly yours,

Paul W. Lambert, CPG
