Re: Level 2 Assessment  
Drinking Water Branch - Compliance  
**PWSID #IN2340325**  
Howard County

Dear Judy Hamilton:

The Indiana Department of Environmental Management (IDEM) staff of the Office of Water Quality has conducted a review of your drinking water Treatment Technique requirements. This review was conducted in order to determine compliance with the Revised Total Coliform Rule (RTCR).

Contaminant	Date	Citation	Corrective Actions You must take
Total Coliform	<p>July 22, 2024 – collected two (2) routine samples positive for Total Coliform.</p> <p>July 26, 2024 – IDEM received samples from Criterion Water Labs, LLC</p>	<p><b>40 CFR 141.859</b> Your system has two (2) or more Total Coliform positive (TC+) samples.</p> <p>System has triggered a second Level 1 Assessment within a rolling 12-month period.</p> <p><i>Rule cited has been incorporated by reference at 327 IAC 8-2.4-1</i></p>	<p>You must contact Alan Melvin or an IDEM Certified Assessor (see attached) to conduct a Level 2 Assessment.</p> <p>The Level 2 Assessment must be completed by the state or a qualified party that has been approved by the state. The Assessment must be completed on or before Mm-DD-2024.</p> <p>If any sanitary defect(s) is/are found during the assessment, you must correct the defect(s) within 30 days from the date the Level 2 Assessment was completed and submit the corrective actions documentation to IDEM.</p> <p>Your system must continue to collect one (1) routine sample per month. <b>The next routine sample is due in August 2024</b></p>

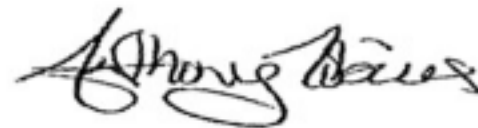

Under the RTCR, total coliform serves as an indicator of a potential pathway of contamination into the distribution system and since your system exceeded the specified frequency (see Citation Column in the Table above), you must conduct an assessment to determine if any sanitary defects exist, and if found, correct them.

Submit the Level 2 Assessment form to:

Indiana Department of Environmental Management (IDEM)

100 N. Senate Avenue  
Indianapolis, IN 46204-2251  
E-mail: [amelvin@idem.in.gov](mailto:amelvin@idem.in.gov)

Failure to submit the required Level 2 Assessment will result in a coliform Treatment Technique violation. Thank you for your attention to this matter. If you have any questions, please call Mr. Alan Melvin of our Capacity and Development Section at 317-719-4032.

Sincerely,

Anthony Tobias, Chief

**INSTRUCTIONS:** A Certified Level 2 Assessor or agent of the State *must* complete this form. The goal of this assessment is to resolve this system's total coliform contamination. The assessor will provide a determination of the cause of this total coliform contamination by checking "Yes" on the appropriate checkboxes below. With each issue checked "Yes", the assessor will follow with a narrative in the "Issue Description" AND "Corrective Action" columns. If any question or section does not apply, simply strike through or mark as N/A. **The system representative listed below is responsible for implementing the corrective actions identified within thirty (30) days of this assessment and will provide documentation (photos or receipts) of the corrective actions to IDEM at [CapCert@idem.in.gov](mailto:CapCert@idem.in.gov).**
