Re: Tri Eagle Provisions, LLC
Land Application of Sludge
by Hoffman Family Farms, Inc
Fulton County

Dear Mr. Lilovich and Mr. Hoffman:

It has been brought to the attention of the Solid Waste Permit Section that waste material from Tri Eagle Provisions has been land applied by Hoffman Family Farms in May 2024. Indiana Land Application Regulation 327 IAC 6.1 (enclosed) states a land application permit is required for the disposal of any biosolid, industrial waste product, or pollutant-bearing water by application upon or incorporation into the soil. This rule applies to any person preparing and/or land applying biosolids, industrial waste products, or pollutant-bearing water in Indiana.

If the waste material applied meets the criteria in 327 IAC 6.1-2-28 or 30 you must discontinue land application activities until you apply for and obtain a land application permit. Land application forms are available on IDEM's website at the following link: [IDEM: IDEM Agency Forms \(in.gov\)](http://IDEM:IDEMAgencyForms.in.gov)

To help us have a better understanding of the waste material that was land applied, please provide a description of the material applied, the process in which it is generated, the source of the material (if other than Tri Eagle Provisions), and if the waste material has been land applied in a similar manner in the past.

This agency allows and encourages land application of biosolids, industrial waste products, and pollutant-bearing water in many circumstances, but in all cases a permit is required in order to ensure protection of public health and the environment. Land application of these wastes without a permit is a violation of the Indiana Administrative Code and is an enforceable action that could result in possible fines for both the generator and applier of the waste material.

Visit on.IN.gov/survey or scan the QR code to provide feedback.

We appreciate your input!

Please provide the above requested information within 15 days of the date of this letter. If you have any questions, please feel free to contact Morrighan O'Connell at (317) 232-3362 or moconnel@idem.in.gov.

Sincerely,

Brenda Stephanoff
