### INDIVIDUAL STATUS REPORT

This Individual Status Report is respectfully submitted as previously ordered by the Indiana Office of Environmental Adjudication ("OEA"):

Fastop, Incorporated d/b/a Circle A #113R is represented by Robert George of Active Environmental Services, Inc. ("Active"). The Indiana Department of Environmental Management ("IDEM") is represented by Julie E. Lang of the Office of Legal Counsel.

IDEM issued a determination denying Excess Liability Trust Fund reimbursement for certain costs submitted by Active relating to incident number 201204504. Active filed a Petition for Administrative Review, challenging the denial and this matter was assigned Cause No. 14-FJ-4759.

On April 7, 2015, OEA ordered the petitioner to file a status report on or before June 9, 2015. This petition was to follow the outcome of a similar appeal, Cause No. 14-F-J-4751, filed through the OEA. The appeals are of the same type and a determination has not been made on the appeal Cause No. 14-F-J-4751.

At this time, the above referenced Cause No. 14-F-J-4751 has been scheduled for a hearing and this appeal is to follow the outcome.

Active wishes to keep this appeal open and would like to continue to follow the outcome of the previous similar appeal Cause No. 14-F-J-4751.

Active respectfully requests that the next status report be filed no sooner than thirty (30) days from today's date.

Fastop, Incorporated requests be added as a recipient on all correspondence pertaining to this appeal. Please send copies of notices to:
