Dear Ms. McDaniel:

SUBJECT: Change in Wastewater Operator of Record

The purpose of this letter is to notify Indiana Department of Environmental Management (IDEM) regarding the appointment of a new Certified Operator of Record for the Town of Cromwell municipal wastewater treatment system. This system, which serves customers in the Town of Cromwell in Noble County, Indiana, operates under National Pollution Discharge Elimination System (NPDES) Permit Number IN0021814. Effective immediately, Sarah E. Sorg, Class II Wastewater License WW022258, will serve as the Operator of Record.

Ms. Sorg, an employee of contract operations firm Astbury Water Technology, Inc. (Astbury), may be contacted via email at ssorg@astburygroup.com; her mobile phone number is 260-750-6865.

Best regards,

Thomas B. Astbury
