Re: Resolution of Agreed Order
Commissioner, Indiana Department of
Environmental Management
v.
Iron Baluster, LLC dba Viewrail
Plant ID No. 039-00586
Goshen, Elkhart County
Case No. 2023-29313-A

Dear Mr. Johnson:

This letter is to inform you that the terms and conditions of the Agreed Order in the above-referenced case have been met and this case is considered closed by IDEM's Office of Air Quality, Compliance and Enforcement Branch. Additional enforcement action may be initiated if compliance with the applicable rules and permits is not maintained.

IDEM strongly encourages the use of pollution prevention techniques to reduce pollution emitted to the environment and to conserve resources such as water and energy. Implementation of such techniques can decrease manufacturing costs/overhead, increase worker safety, and perhaps lessen the impact of environmental regulations upon your operation. For more information on pollution prevention or to schedule a free, confidential pollution prevention opportunity assessment, call the Programs and Compliance Branch at IDEM's Office of Program Support at (800) 988-7901 or visit <http://www.in.gov/idem/prevention/>.

If you have any questions concerning this action, please contact Jennifer Bailey at (317) 234-3996 or jbailey2@idem.in.gov.

Thank you for your cooperation.

Sincerely,

David P. McIver, Chief

Enforcement Section
Office of Air Quality
