Subject: Request for Updated Inventory Information

The Drinking Water Branch is again requesting your input on any inventory changes at your facility.

It is important that we have your system's most current inventory information to assist us in our ongoing efforts to ensure that your drinking water is safe. Please review the information we have on file for you and mark down any changes. If all the information is accurate, please circle "No Changes." Then mail, email [dwbmgr@idem.in.gov](mailto:dwbmgr@idem.in.gov), or fax the information back to us at 317/234-7436 as soon as possible.

A pre-addressed stamped return envelope has also been enclosed for your convenience. Please return the forms by **October 1, 2021**.

Please note that the service connection information will also be used to accurately establish your system's annual drinking water fees. **If we do not receive any updates from you, we will assume the information is valid for determining the drinking water fees.** If you have questions about the annual fee, please contact Ms. Carol Guidry at 317/232-8472.

Thank you for your assistance and cooperation with this matter. If you have any questions regarding your inventory information please contact Ms. Jennifer Campbell at 317/234-7457.

***\*\*Please note: The Drinking Water Branch is using an automated notification system. This system is primarily used to provide sampling reminders. It may also be used for polling and to deliver important information. Please take the time to listen to these messages as they are very important. These messages are sent to the person listed as the SA (Sampling Reminder Contact). Messages can be sent by email, phone, or text. Texting is a new feature, and if you would like to receive messages this way, please fill in a phone number on the texting field in the SA Contact section on the next page.***

The following information is what the Drinking Water Branch currently has on file for your system and can be viewed at any time from our website <https://myweb.in.gov/IDEM/DWWW/>
