**RE: Tri-State Liquid Waste Response to Notice of Violation**

*Septage Waste Permit No. 850  
Case No. 2025-30846-S  
Lawrenceburg, Dearborn County*

Ms. Gonzales & Ms. Garvey,

We hope this letter finds you well. My name is Evan R. Pennington, an attorney at the law firm of Bascom & Kisor, LLC. My firm represents Tri-State Liquid Waste, LLC ("TSLW"), located in Lawrenceburg, Indiana. My client has received a Notice of Violation and Proposed Agreed Order from the Indiana Department of Environmental Management on or about November 19, 2025.

As noted in the Notice of Violation and Proposed Agreed Order, TSLW recently relocated from Cleves, Ohio, to Lawrenceburg, Indiana, after 26 years of operation in Ohio. TSLW wishes to resolve this matter and ensure future compliance with all applicable septage management regulations. To that end, my client requests a meeting with you all at TSLW's location in Lawrenceburg, Indiana, to discuss a settlement and the requirements IDEM imposes for TSLW to be in compliance with Indiana laws and regulations.

Please call my office at (812) 537-2300 or email my staff at [Ryleigh@BascomKisor.com](mailto:Ryleigh@BascomKisor.com) to set up a meeting to resolve this matter or if you have any questions or concerns.

Respectfully,

**BASCOM & KISOR, LLC**

Evan R. Pennington
