Re: Stack Test Extension Response Letter
Knauf Insulation GmbH
Plant ID 145-00001
Shelbyville, Shelby County

Dear Mr. Estes:

On April 28, 2020, the Indiana Department of Environmental Management (IDEM), Office of Air Quality (OAQ), received a request for an extension of compliance testing from Knauf Insulation GmbH located at 1 Knauf Drive in Shelbyville, Indiana. The compliance testing is required to be conducted by May 7 and May 8, 2020 for Stacks 6-22 and 6-29 pursuant to Permit 145-39089-00001 Conditions D.1.8 (a) (2) and D.5.11.

According to Knauf Insulation, Inc., the compliance testing cannot be conducted by the designated deadline due to changes in operations resulting from the COVID-19 situation.

At this time, IDEM cannot approve your request to extend the permitted compliance testing deadline. Testing after the date specified in the permit constitutes a violation. However, if compliance testing is adequately performed by September 5, 2020, no enforcement action will be taken for failing to test before the original deadline stated in your permit.

Please direct any questions to Kurt Graham, Compliance Inspector, at (317) 233-6866 or by email at kagraham@idem.in.gov.

Sincerely,

Phil Perry, Chief
Compliance and Enforcement Branch
Office of Air Quality
