Hello Anthony,

This is Tracy from Badell Dental Clinic. I received your return voice message today, and I have attached the June water sample results to this email. We also just submitted our water sample for July, and when we receive these results, should I email them directly to you as well? Our office was closed from March-June 1st, therefore we did not perform the water testing due to the Starke County Health Department being closed down as well.

Please let me know if you have any questions.

Thank you so very much,

Tracy Elliott
