Due To the Pandemic Flatrock Cafe Inc
CLOSED March 17 2020. We reopened the
last week of October thru the first week
of November. For carry out only was doing
10 to 15 Go orders per day. Wasn't making
enough to stay open. So we shut back
down. We then painted and disinfected
everything. CDC ordered. would not
have opened back this month but we
have several seniors that have been
coming here the last 20 yrs that
cant make it to any place else so I
told them we would give it one more
try. So whatever we need to do
let me know. I will do my best to take
care of it. We could not get any money
from Fed or State because we don't
have enough employees. The same thing
they told us on the 2008 Flood that
closed us for 5 months. The same on the Road
in front of us tore up for 2 1/2 yrs

I'm sorry for dragging this out but
