Please see the attached construction permit approval for **WS 12694 KENTLAND WATER WORKS**. We are now issuing the final permits via email versus regular mail to get permits to you faster. Please reply to this email notifying us that you did indeed receive it. We are also sending this email as a reminder that you must notify us at least 10 days in advance of construction beginning, pursuant to Condition #1 of the permit. We are accepting notifications for construction via email at dwpermits@idem.in.gov. The information you are required to provide for compliance with Condition #1 is below. You may satisfy both requests by "replying to all" to this email, stating you did receive the permit and providing the start of construction information below:

1. Permit #;
