At 2:00 PM on 6/10/24 Patoka Lake Regional Water District Issued a boil water advisory due to a fire hydrant replacement. The Tennyson Water Corporation will be the only customer in the advisory . There connection is in Pigeon Township in Warrick County on State Road 161.

I contacted Tennyson by phone prior to doing the project

The advisory will be kept in place until two consecutive samples come back absent from all sample locations.

Please contact me with any questions.
