RE: Generator: Linde, Inc.  
Date of Loss: January 31, 2024  
County: Hendricks  
Our Claim Number: A24013101  
Generator Claim Number: None Issued  
Incident Number: 110853

Dear Sir or Madam:

This letter shall serve as a follow-up report and contains information regarding clean up and disposal for the Indianapolis, IN Manganese Nitrate Solution, 50% spill. The loss occurred at 1555 East Main Street.

Linde Inc. personnel deployed absorbent booms and pads to contain the free liquid. Linde, Inc. utilized a wet vac to recover the free liquid. Environmental Restoration LLC (ERLLC) was dispatched to complete the cleanup.

ERLLC arrived and inspected the site. ERLLC proceeded to pressure wash the impacted asphalt surface and impacted storm drain. ERLLC collected the rinse water utilizing a drum vacuum. One (1) 55-gallon drum of waste was generated as a result of the cleanup. The waste was left on site for disposal by Linde, Inc.

The waste was transported to Elemental Environmental Solutions for disposal. Attached is a copy of the Letter of Waste Disposal provided by Linde Inc.

At this time, no further action is planned at the Indianapolis, IN site. Unless otherwise notified Linde, Inc. will consider the site closed.
