RETURN E-MAIL RECEIPT REQUESTED

The IDEM Petroleum Remediation Branch is now sending formal communication (signed letters) via electronic mail (e-mail). IDEM has provided electronic copies of our letters to consultants for several years and are now also providing our correspondence via e-mail to the Registered UST Owner/Operator or Responsible Party. The UST Branch will only utilize the US Postal Service if e-mail is not available. We believe that this approach is not only more economically responsible, but will also allow us to reach our customers in a more timely manner.

In that regard, IDEM is requesting a return receipt via email indicating that the correspondence has been received for our records. Please review and respond appropriately to the attached IDEM correspondence per IDEM

document submittal guidelines. We hope to continue working with you to improve our customer service. Please notify IDEM if you have a preferred email address for this correspondence or regarding any e-mail address changes. If you have any questions please feel free to contact me at 317/232-8900 or Shay Hartley at 317/234-5160.
