Re: Twin Bridges LF Piezometer Abandonment
Twin Bridges Landfill
VFC # [83659530](#)
Dated June 27, 2024
Hendricks County

Hello, Mr. Smallwood:

We received the Twin Bridges LF Piezometer Abandonment submission (Submission) on June 27, 2024, regarding piezometer abandonment from you on behalf of the facility. The Submission states the facility intends to abandon piezometer G-09, explaining G-09 is not included in the facility's Renewal Permit dated March 11, 2022 (VFC # [83291362](#)) or groundwater monitoring plan.

Please note that Requirement F9 of the Renewal Permit states that the facility must retain piezometers G-09 and G-01R "until such time the facility requests and receives written approval for abandonment of the piezometers."

Per our phone call a few minutes ago, you intend to submit a formal request to abandon piezometer G-09. We will review the request upon receipt.

Please contact me if you have any questions.

Best,

Jeremiah Mickey
