Re: Ground Water Preliminary Exceedance Notification  
Detection & Assessment Monitoring (May 2024)  
Daviess County Landfill, FP # 14-02

Submitted herewith on behalf of Daviess County Landfill (DCLF) and in accordance with 329 IAC 10-21-7(b) is notification of a preliminary exceedance for the facility's May 14, 2024, semi-annual ground water sampling event. The preliminary exceedance occurred at monitoring well MW-11 for the following constituent:

- Chloride detected at 67.2 mg/l (Statistical Prediction Limit = 61.1 mg/l)

As a result of this preliminary exceedance, notification is provided herewith that DCLF intends to perform verification resampling in accordance with the facility's approved Statistical Evaluation Plan (StEP). Additionally, DCLF proposes to submit to IDEM, pending outcome of the resampling event, the verification sampling results with the May 2024 semi-annual report in accordance with 329 IAC 10-21 and the facility's StEP.

Thank you and please call me (317-753-1179) or Bob Ochs (812-486-3774), DCLF Manager, if you have any questions.
