Comments: On April 19, 2024, a routine inspection was conducted at this facility. The purpose of this inspection was to determine the condition of the lagoon and surrounding area. The concrete lagoon was well maintained and there was no visual evidence of deterioration. The vegetation around the lagoon was also well maintained and there was no woody vegetation next to the lagoon wall. The lagoon has freeboard markers installed on the concrete wall. There were at least 6 feet of freeboard available on this date. There were no operational or maintenance violations observed at the time of this inspection.

Confidential Information

In accordance with 329 IAC 6.1 (<http://www.in.gov/legislative/iac/T03290/A00061.PDF>) a person submitting information to the department for which confidential treatment is requested shall make a written claim of confidentiality at the time of submittal of the information. A person may request confidential treatment of information at the time the information is acquired through the actions of the department, such as inspections. The written claim for confidential treatment may be broad, but must be sufficiently clear to allow for accurate identification of the information claimed to be confidential. In accordance with 329 IAC 6.1-4-1(d), supporting information must be submitted to the commissioner within five (5) working days from the time the information claimed as confidential is acquired by the department. A person submitting a claim of confidentiality shall designate and segregate the information and the supporting information to which the claim applies in a manner that is sufficiently clear to allow the department to identify all confidential claim materials. Confidential information may include (but is not limited to) written or printed material, maps, charts, photographs, or samples (see definition of information at 329 IAC 6.1-2-8). The undersigned Owner/Representative has alleged information acquired during this inspection **does** **does not** (check one) contain confidential information. A check in the "does" box is not a written claim for confidential treatment of information acquired during this inspection.

Notice of Oral Report

In accordance with IC 13-14-5 an oral report of the inspection was provided to the undersigned Owner/Agent at the conclusion of the inspection. The oral report includes any specific matters discovered during the inspection that the IDEM representative believes may be a violation of a law or of a permit issued by the department. The report does not include matters not evident to the IDEM representative or any fact that indicates an intentional, a knowing, or a reckless violation.
