You don't often get email from lhummel@idem.in.gov. [Learn why this is important](#)

Good afternoon Mr. Eagleson,

As you are aware, the compost registration for LaGrange County Yard Waste Compost site expires on July 11, 2024. Since we have not received a renewal application, the site must not accept waste after July 11, 2024.

As I noted below, to close out the site, a notification must be submitted to IDEM that the facility is closing, along with a report that all material has been properly removed. This can be sent to me via

email, please also copy solidwastesubmittals@idem.in.gov.

Once IDEM confirms that the site has properly closed we will issue a formal letter recognizing the closure.

If you have any questions, please feel free to reach out.

Thank you,

Good Morning, Mr. Eagleson,

The LaGrange Compost Site was last renewed on July 12, 2019 (VFC #[82808139](#)), and February 27, 2014 (VFC #[69722476](#)).

Information submitted for the last renewal applications is dated November 2, 2019 (VFC #[82645849](#)), March 5, 2019 (VFC #[82717381](#)), and May 3, 2019 (VFC #[82770017](#)). While the owner of the operation was the LaGrange County Commissioners, it does appear that they listed the Town of LaGrange as the operator on the previous applications. From the past correspondence with previous permit staff, it appears that the NISWMD had been assisting with the

information submissions.

To close the site, a notification must be submitted to IDEM documenting that the facility has been closed and all material has been removed to a proper disposal or other appropriate use. A brief narrative and pictures are helpful. An IDEM inspector may visit to conduct a final inspection, and once the closure is determined complete, IDEM will issue a closure approval letter confirming the status of the closure.

The closure notification can be sent to me via email.

If you have any questions, please let me know.

Thank you,

Lindsey

Ms. Hummel,

As you are aware LaGrange County intends to close their Compost Site, SW Program ID 44-01C. I have been made award that prior Application/Renewals have shown the Town of LaGrange as the Operator.

At this time I would request that you please provide me with copies of the last two Application/Renewals for SW Program ID 44-01C.

Thank you for your kind assistance.
