Dear Christina and Brandon,

I am the permit writer assigned to the current application No. 141-47925-00647 for Caliber Collision Centers 2763. I would like to extend to you my contact information so that we may have continued communication until your new permit is issued. Please keep this information at hand. It is common for questions to arise, and oftentimes, further clarification is needed during the permit review process.

IDEM, OAQ will notify you when a draft permit has been submitted for public notice and/or when a final permit has been issued. As part of the notification, IDEM, OAQ will provide information on how

to access the draft and/or final permit electronically on IDEM's website. If Caliber Collision Centers 2763 would prefer to receive paper copies of the entire draft and/or final permit, please let me know prior to the end of the applicant review period. If you prefer to receive paper copies of the entire permit, IDEM, OAQ will mail a paper copy of the draft permit and/or original signed final permit to the source contact. If you do not request to receive paper copies of the entire permit, IDEM, OAQ will only mail a paper copy of the original signed final permit signature page to the source contact.

Please feel free to contact me at any time if you have questions, concerns, or important information regarding your permit. For your convenience, my section chief (Heath Hartley) may be contacted at 317-232-8217 or [hhartley@idem.IN.gov](mailto:hhartley@idem.IN.gov).

Thank you in advance for your time and assistance. I look forward to working with you.

Sincerely,

Tessa Dedek

Hi all,

I have a couple questions for Caliber Collision Centers 2763 in South Bend, IN.

1. Are there any emission units other than the spray booth at the source? For example, is there any NG combustion, buffing, grinding, sanding, etc.?
2. What's the general phone number for the source? I'm seeing (574) 303-1828 on Google, but I wanted to double check.

Thank you!

**External Email Alert - This message was sent from outside GMG EnviroSafe.**

We are meticulous! Please do not click links or open attachments unless you can confirm the sender. Report any suspicious activity to IT by submitting a ticket on the Help Desk in Teams.

Dear Christina and Brandon,

Attached please find the draft Source Specific Operating Agreement (SSOA) and supporting documents for review. As a courtesy, this draft is being provided to you for an opportunity to review and provide comments prior to the issuance of the permit approval.

The time clock for SSOA No. S141-47925-00647 will be stopped during your review until you either provide comments or indicate that you do not have any comments. Due to permit accountability and IDEM's intention to issue the permit in a timely manner, you are being allotted **one week** to provide comments in writing. If you have any conflicts or special circumstances that would impede your review process during the time allotted, please notify me directly at the email address or phone number listed below as soon as possible. If you have not responded on or before **Tuesday, July 9, 2024**, IDEM will assume that you have no comments pertaining to this draft and all files will be forwarded for issuance.

During this review period, I will be available to address your concerns, answer any questions that you may have, or make necessary revisions to this draft. Please feel free to request additional review time due to the holiday.

The following documents are not including in this review but will be included in the final approval:

- 326 IAC 8-10 (Automobile Refinishing)
- 40 CFR 63, Subpart HHHHHH, National Emission Standards for Hazardous Air Pollutants: Paint Stripping and Miscellaneous Surface Coating Operations at Area Sources

Pursuant to 326 IAC 2-1.1-7, the fee for this permitting action is expected to be **\$1,586**, which is based on the following:

\$793	SSOA
\$793	Each NESHAP Review (Subpart HHHHHH)

Please note: This is not a bill. This represents the anticipated fee and is subject to change if additional review is required or the permit level changes for some reason (e.g. an additional NESHAP review is required). You will receive a final bill from the OAQ Permits Administration and Support Section.

Sincerely,

Tessa Dedek
