Re: Olaf Ison Landfill.

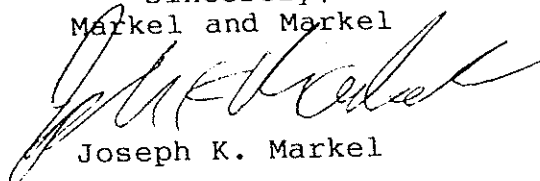

Dear Mr. Brown:

Mr. Ison called me today and told me that the work to be done to his landfill has been completed. Please let me know when you can come down and inspect the work and administratively close the landfill as we discussed.

Also, while you are here in Jackson County, would you be able to look at another closed landfill which belongs to another client of mine. The Joe Gray landfill located in Brownstown Township, off of SR 135 at the intersection of County Roads 360W and 350N which is now owned by Nellie White, formerly Nellie Gray has been closed for many years. Mrs. White would like for you to look at her landfill and see if we could close it administratively also.

In any case, I will look forward to hearing from you.

Sincerely,
Markel and Markel

Joseph K. Markel
