Comments: Clay County Sheriff's Dept reported they looked for the spill but were unable to find it. OSC Frosch went to the site in an attempt to locate the spill. Frosch went to the target intersection and drove for several miles in all four directions with special attention to the road leading SW toward Brazil. There was no sign or odor of diesel in that area. Frosch concurred with Clay Co SD that the spill (if it existed) is not at this location.
