Comments: OSC contacted Ft Wayne MS4 Jennifer Lash who will check on the storm sewer.					
Lead ER Staff	Caldwell, Dwayne			06/20/2024	
Comments: Reporter states that on 6/19 one of their trucks lost 30-50 gallons of cooking oil onto pavement and into a storm sewer. The driver had left and the facility contacted the RP who responded with a vac truck and collected the released oil but thought as much as 10 gallons could have entered the storm drain. OSC emailed the incident number and asked for a report.
