Good morning,

Is there anyone who would check on silt in a creek or is that the locals?

Take care,

Subject: Spill Line

Hi Dwayne,

The following is info from the Spill Line. We spoke briefly yesterday on your way out.

Guy Markusfeld called regarding brown mud in a creek. Said whomever (Looter) is not using silt (?) He's in Westfield, IN and said the crossroad of the creek is at Oak Road and 171st Street (also know as South St). His info is below.

Hope that helps. I know it's about as clear as mud...no pun intended. Chuckle! 😊

Sincerely,
