Re: 2023 Annual Sampling Report,
Prestolite Battery Superfund Site, Vincennes, IN

Dear Ms. Shanahan:

We completed our review of the following May 31, 2024, documents that Jacobs prepared on behalf of Honeywell International:

- *Responses to Comments on Draft 2023 Annual Sampling Report* for the Prestolite Battery Superfund Site (IDEM virtual file cabinet VFC document #83647380).
- *Final 2023 Annual Sampling Report* (VFC document #83647416).

The consultant has adequately addressed our comments on the *Draft 2023 Annual Sampling Report*.

Please contact me at (317) 234-0353 should you have any questions.

Sincerely,

Resa L. Ramsey
Federal Programs Section
Office of Land Quality
