RE:

7-Eleven, Inc. - Pollution Insurance

Policy No.:

ISPILLSB5FGE001

Dear Ms. Laughlin:

Please let this letter confirm certain coverage matters of the Ironshore Site Pollution Incident Legal Liability Select (SPILLS) insurance policy number ISPILLSB5FGE001 that Aon placed on behalf of 7-Eleven, Inc. for the time period 12-18-23 to 12-18-24.

7-Eleven's Ironshore SPILLS policy does cover all tanks in 7-Eleven's official tank inventory. When tanks are added to 7-Eleven's tank portfolio through acquisitions, new store construction or remodeling, or through replacement of tanks, the insurance policy provides automatic coverage for those additional or replaced tanks. The tanks are added to the policy with a retro date of the acquisition date.

Please note that this insurance policy covers all sites on a blanket basis that were inadvertently left off the location schedule at policy inception. Full coverage is extended to any sites that were inadvertently omitted or that contain incorrect addresses or other clerical errors.

Please let me know if anyone has any other questions or would like to speak to me directly.

Regards,

Jeffrey Hanneman Managing Director
