Dear Tim McKee:

On June 22, 2024, the Indiana Department of Environmental Management (IDEM), Office of Air Quality (OAQ), received a complaint alleging that fugitive dust emissions were crossing property boundaries in violation of 326 IAC 6-4-2 at 814 Richmond Avenue in Richmond, Indiana.

Please be aware, 326 IAC 6-4 prohibits fugitive emissions with only a few exceptions. IDEM has not identified a violation of 326 IAC 6-4 at this time. However, if a violation is observed after the receipt of this letter, legal action may be pursued.

Please direct any questions to Rebecca Hayes, Compliance Inspector, by email at rhayes@IDEM.IN.gov. Thank you for your attention to this matter.

Sincerely,

Wyman Clark, Section Chief
