Ms. Gau,

OLQ Engineering has reviewed your response to the request for additional information received May 31, 2024 (VFC #[83655581](#)) regarding the Reworld Solutions, LLC, permit renewal. We need the following additional information. Please acknowledge and respond by Monday. If not received soon, we will include them as compliance schedule requirements. Please include the attached certification statement with your response.

1. The facility name was recently rebranded as Reworld Solutions, LLC per correspondence dated April 30, 2024 (VFC #[83650210](#)). Update the applicant and facility names on the permit renewal application form (VFC #[83536840](#), pg. 6 of 102), as applicable.
2. The response to RAI on page 13 includes post-closure costs but does not include contingency cost. Include a minimum 10% contingency cost of the estimated closure and post-closure cost estimates.
3. Provide a legal description of the facility boundary certified by a professional land surveyor or Warranty Deed certified by the County verifying property ownership.

Thanks,
