Dear Larry Cole:

SUBJECT: 2024 Application for Scrap Tire Hauler Registration #H-3-59-10035

The staff of the Department of Environment, Great Lakes, and Energy (EGLE), has reviewed your application for a Scrap Tire Hauler, known as Larry's Tire, Inc., located in Howard City, Montcalm County, Michigan. This review was conducted under the provisions of Part 169, Scrap Tires, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA).

Applicants for registrations under the Scrap Tire Program are required to list disposal sites for scrap tires originating in Michigan counties as part of their application.

Reciprocal importation authorization is needed for all counties that are specified by the applicant as being disposal sites for their scrap tires. To determine authorization please view by directly viewing our [webpage](#) or by navigating our website by going to: www.Michigan.gov/EGLEMMP; Solid Waste Management Plans; Import/Export Authorizations; [Import/Export Report](#)

No plan authorization is needed to dispose of solid waste at licensed facilities located within the county of generation.

Amendments to Part 115, Solid Waste Management, of the Natural Resources and Environmental Protection Act, 1994, PA 451 as amended, are effective as of March 2023. The Import and Export reciprocal authorization requirement shall remain in place until a new Materials Management Plan under the new legislation is approved, expected within the next several years. Until a new Plan is approved, reciprocal authorization remains a requirement for compliance under Part 115.

Based upon our review of your application, your Scrap Tire Hauler Registration is hereby granted. Enclosed is your Registration.

To ensure compliance with Part 169 of the NREPA, please remember a scrap tire hauler is required to do the following:

- 1. A scrap tire hauler, when transporting scrap tires, must have in their possession a copy of the current scrap tire hauler registration.**

Good afternoon Mr. Cole,

The fee to IDEM for the waste tire transporter registration application is \$25. You may pay over the

phone with a credit card. For payment please call 317-234-3099.

I do not know if there are any fees for the business registration, you would need to contact the Indiana SOS at 1-317-234-9768.

Please send me a note when the payment is completed.

Thank you,

Thank you Lindsey for your assistance with this matter. Can we pay our registration fees with a credit card or do you need us to send a business check? Will it be \$25 for the business registration and \$25 for the hauler registration?

We wholesale used tires to:

Southside Tire

4001 Carson Ave

Indianapolis IN 46227

We also occasionally haul OTR tires to:

Entech

10440 CR2

Middlebury IN 46540

We only do minimal business in Indiana but want to have the haulers license for if any future business opens up we will have it in place.

Please let me know if there is any other information you will need from us.

Sincerely,

Larry Cole

Owner/President

Good afternoon April,

Thank you for your time today. As I mentioned on our call, we received the attached financial assurance reinstatement. \$10,000 is the required amount for waste tire transporters, however, a record review shows the last registration on file for Larry's Tire expired in 2006 (Virtual File Cabinet Document [63783172](#)). If you think this is a mistake or another name is being used for your company, please let me know. Waste tire transporters are required to submit a renewal application every 5 years.

Required Items:

- Fee Transmittal State Form 47215 (attached) - \$25 new application fee, send the payment to the PO Box or as directed on the form, include a copy with the rest of the application. **Do not** send the full application to the PO Box.
- Application Form 47220 (attached) and supporting documents
 - Email the completed application and copy of the payment as a PDF to SolidWasteSubmittals@idem.in.gov. You can copy me. There is no need for a hard copy of the full application if you email it.
 - Section 3, Full name: Should be the company's name. All businesses doing business in Indiana should be registered with the Indiana Secretary of State.
 - <https://inbiz.in.gov/business-filings/registration>
 - Once we receive the application, the financial assurance may need to be updated to reflect our current language and show your assigned registration number.

I'm happy to help with any questions, feel free to reach out.

Thank you,
Lindsey
