Good morning Mr. Cole,

Thank you again for getting your waste tire transporter application to us at the end of May.

I am reaching out about 3 remaining items for your application.

1. We have not yet received the original hard copy of your financial assurance updated with the registration number 998-T-00790. The required language for the financial assurance is attached. Please contact Glynda Oakes for questions about financial assurance goakes@idem.in.gov. The hard copy may be sent to: IDEM Office of Land Quality IGCN 1101, Attn: Glynda Oakes, 100 N. Senate Avenue, Indianapolis, IN 46204
2. I have not been able to confirm if we received the \$25 application fee, were you able to connect to our payment system after leaving a voicemail?
3. Could you please confirm if you would like the registration issued to you, Larry Cole, or to your company? If you would prefer the registration issued to your company, then please confirm your company's full name, and note that you will need to register your business with the Indiana Secretary of State <https://inbiz.in.gov/business-filings/registration>.

If there is any thing I can assist with, please feel free to contact me. Addressing the above items will allow us to continue to process the application. If all of the above items are not resolved by July 6, 2024 we may consider denying the application.

Thank you,

Good morning Mr. Cole,

The new registration number will be **998-T-00790**.

The financial assurance that you have on file needs to have this registration number listed, and also needs to include the attached required language and information. We will need a hard copy with original signatures. If you have any questions, our financial assurance reviewer, Glynda Oakes, can assist, goakes@idem.in.gov

The hard copy may be sent to:
IDEM, Office of Land Quality IGCN 1101
Attn: Glynda Oakes
100 N. Senate Avenue
Indianapolis, IN 46204

Thank you,
Lindsey

Received, thank you.

I'll need to confirm that the financial assurance meets our language requirements and will be in touch.

Once the payment, Indiana SOS registration, and financial assurance is confirmed we'll issue the registration decision.

Thank you,

Mr. Cole,

I should also add that we need your signature on Page 2, Part C on your application.

Since your business appears to be at a different location, you will likely be assigned a different registration number in our system.

Thank you for your time on this.

Best regards,

Lindsey

Good afternoon Mr. Cole,

The fee to IDEM for the waste tire transporter registration application is \$25. You may pay over the phone with a credit card. For payment please call 317-234-3099.

I do not know if there are any fees for the business registration, you would need to contact the Indiana SOS at 1-317-234-9768.

Please send me a note when the payment is completed.

Thank you,
Lindsey

Thank you Lindsey for your assistance with this matter. Can we pay our registration fees with a credit card or do you need us to send a business check? Will it be \$25 for the business registration and \$25 for the hauler registration?

We wholesale used tires to:
Southside Tire
4001 Carson Ave
Indianapolis IN 46227

We also occasionally haul OTR tires to:
Entech
10440 CR2
Middlebury IN 46540

We only do minimal business in Indiana but want to have the haulers license for if any future business opens up we will have it in place.

Please let me know if there is any other information you will need from us.

Sincerely,

Larry Cole
Owner/President
Larry's Tire Inc

Good afternoon April,

Thank you for your time today. As I mentioned on our call, we received the attached financial assurance reinstatement. \$10,000 is the required amount for waste tire transporters, however, a record review shows the last registration on file for Larry's Tire expired in 2006 (Virtual File Cabinet Document [63783172](#)). If you think this is a mistake or another name is being used for your company, please let me know. Waste tire transporters are required to submit a renewal application every 5 years.

Required Items:

- Fee Transmittal State Form 47215 (attached) - \$25 new application fee, send the payment to the PO Box or as directed on the form, include a copy with the rest of the application. **Do not** send the full application to the PO Box.
- Application Form 47220 (attached) and supporting documents
 - Email the completed application and copy of the payment as a PDF to SolidWasteSubmittals@idem.in.gov. You can copy me. There is no need for a hard copy of the full application if you email it.
 - Section 3, Full name: Should be the company's name. All businesses doing business in Indiana should be registered with the Indiana Secretary of State.
 - <https://inbiz.in.gov/business-filings/registration>
 - Once we receive the application, the financial assurance may need to be updated to reflect our current language and show your assigned registration number.

I'm happy to help with any questions, feel free to reach out.

Thank you,
Lindsey
