Dear Kelly McClure:

A record review was conducted on June 20, 2024, and a determination was made that McClure Oil Corporation has achieved compliance with the terms of the Agreed Order issued to you on September 21, 2009.

Thank you for your cooperation. If you have any questions concerning this matter, please contact Janet Arnold at (317) 232-7201 or via email at jarnold@idem.IN.gov.

IDEM strongly encourages the use of pollution prevention techniques to reduce pollution emitted to the environment, and to conserve resources such as water and energy. Implementation of such techniques can decrease manufacturing costs/overhead, increase worker safety, and perhaps lessen the impact of environmental regulations upon your operation. For more information on pollution prevention, call IDEM's Office of Pollution Prevention and Technical Assistance at 800/988-7901 or visit www.in.gov/idem/prevention.

Sincerely,

Jennifer Reno, Chief
