Annual Title V Compliance Certification

Dear Mr. Doucher:

The Office of Air Quality has recently completed a review of the Annual Compliance Certification database. This review showed that the Annual Compliance Certification, which covers January 01, 2000 to December 31, 2000, has not been received from your company by the due date specified in your Title V permit.

In your Title V permit, Section B Annual Compliance Certification, specifies that your Annual Compliance Certification is due on or before July 1st of the following year, which is July 01, 2001. Please submit this report within 15 days from the date of this letter. Failure to submit this report will result in a referral to the Office of Enforcement. The Annual Compliance Certification should be sent to the following address.

Indiana Department of Environmental Management
Compliance Data Section, Office of Air Quality
100 North Senate Avenue, P.O. Box 6015
Indianapolis, In 46206-6015

If you believe that this letter has been sent in error and have records which show this report was submitted on or before the due date, please send a copy of the mail receipt with a copy of the Annual Compliance Certification to the attention of Ms. Imelda Boatman. Should you have any questions regarding this letter, please contact Ms. Boatman at 317/232-8421.
