Dear Sir/Madam:

I am writing regarding the ArvinMeritor Franklin facility located at 1001 Hurricane Street, Franklin, IN 46131, SSOA# 081-12617-00020. This facility ceased manufacturing operations on September 24, 2004 and is now vacant. A copy of the Source Specific Operating Agreement Annual Notification form is attached, but not signed since the source is no longer in operation. The 11.7 mmBtu/hr Cleaver Brooks Boiler was removed in 2002. The only remaining combustion units are natural gas-fired air make-up units. Currently these units are being operated at minimal levels in order to provide sufficient heat to keep the plumbing in the facility from freezing. Consequently ArvinMeritor requests termination of the above-referenced permit.

If you have questions, or require additional information, please telephone me at 812-379-3545. Thank you.

Sincerely,

Handwritten signature of Debra Chelf
