Dear Mr. Myers:

Congratulations! You have been selected to receive an Indiana Pollution Prevention (P2) Grant in the amount of \$15,278 from the Indiana Department of Environmental Management (IDEM) to fund the installation of an Electroless Nickel Dialysis Unit. I am pleased that we are able to Nimet Industries, Inc. in support of your pollution prevention efforts.

Funding is made available under IC 13-27-2-10 to provide grants that educate and promote pollution prevention.

These grants will be administered by IDEM's Office of Pollution Prevention and Technical Assistance, Pollution Prevention Branch. The grant agreement is being sent under a separate cover letter. You should be in receipt of this within a few days. **Please understand that work on this grant can't commence until all State signatories have signed the grant.** If you are interested in more information about these grants or the criteria for obtaining these grants, feel free to contact Nathan Byers at (800) 988-7901.

Sincerely,

Thomas W. Easterly
Commissioner
