FIRST ORDER MODIFYING THE ORDER FORMING THE ADAMS COUNTY REGIONAL SEWER DISTRICT

The Adams County Regional Sewer District (the "District") was previously established by Order of the Indiana Department of Environmental Management (IDEM), dated September 24, 2009 ("original Order"), for the purpose of collection, treatment and disposal of sewage. The original Order stated the District shall file with the Commissioner of IDEM, a detailed plan for the construction and operation of the District's facilities by July 26, 2010.

On or about July 5, 2013, the District, by its Board of Trustees, petitioned to amend the original Order, pursuant to Indiana Code (IC) §13-26-1, by requesting an extension of time to file the District's Plan.

The Commissioner of IDEM now orders that the Order of September 24, 2009, be amended. The District's request to extend the time to submit its district plan is approved. The Commissioner hereby orders that the District submit its plan by December 31, 2014. In all other respects, the District shall remain subject to the terms of the Order dated September 24, 2009.

Pursuant to IC § 4-21.5-3-5(f) and IC § 4-21.5-3-2(e), this Order modifying the original Order forming the Adams County Regional Sewer District, becomes effective

eighteen (18) days after its mailing. If you wish to challenge this decision, IC 4-21.5-3-7 requires that a petition for administrative review be filed. The petition describing your intent must be submitted to the Office of Environmental Adjudication, 100 North Senate Avenue, IGC-N, Indianapolis, Indiana 46204, within eighteen (18) days from the mailing of this notice. This petition must be filed in accordance with IC 4-21.5-3-7, and must include facts demonstrating that the petitioner is the applicant, a person aggrieved by this decision, or a person entitled to review by law.

DATED in Indianapolis, Indiana, on this 27TH day of AUGUST, 2013.
