Dear Mr. Judson:

This letter is to inform you that at a public meeting held on January 5, 2016, a quorum of the Board of Trustees of the Bean Blossom Regional Sewer District unanimously voted in favor of changing the name of the District to the ***Brown County Regional Sewer District***. This vote was confirmed unanimously by a quorum of the newly seated Board at a public meeting held on February 2, 2016. This change provides the District with a name that better recognizes the county-wide area that the District has served since its 2013 expansion.

Your assistance in formalizing this name change within IDEM and any other associated State Government Department or Agency will be appreciated.

Sincerely,

E A Werling

Good Morning Edward:

At the February 2, 2016 meeting of the Board of Trustees for the Brown County Regional Sewer District, we discussed and unanimously agreed that we should file for an extension of time to file our District Plan, that is already past due (as you and I discussed).

Please accept this document as our official request for a 1-Year Extension.

If you need more than this document to proceed with our request, please let me know, and I will take whatever additional steps are needed to assist you with this matter.

We are proceeding quickly to remedy this delinquency; therefore, I do not believe it will take us beyond June to submit an update concerning our plan- unless we run into issues of which I am currently not aware.

Thank you for your assistance.

Sincerely,
Evan A. Werling, CPA

REGIONAL SEWER DISTRICT SUMMARY

Background

On July 21, 2006, the Indiana Department of Environmental Management (IDEM) signed the Recommended Order (Order) for the organization of the Beanblossom Regional Waste District (District) (Attachment 1). On December 23, 2013, IDEM signed the First Order Modifying the Order Forming the Beanblossom Regional Sewer District (Attachment 2). That Order approved the District's request to extend the time to submit its District Plan to October 1, 2014 and to increase the District's board from three to five.

The Request for Modification

On January 5, 2016, a quorum of the District Trustees unanimously voted in favor of changing the name of the District to the Brown County Regional Sewer District. This vote was confirmed unanimously by a quorum of the newly seated Board at a public meeting held on February 2, 2016. IDEM received the request for a name change on February 7, 2016. (Attachment 3)

Also on February 7, 2016 the District sent IDEM a request for an additional one year extension to submit a District Plan. (Attachment 4)

Public Comment and Progress To Date

The District has been meeting on a regular basis. The meetings are public noticed and the public is encouraged to attend. IDEM has not received any comments regarding this petition.
