Seasonal System Start-up Requirements

State Form 55927 (R2 / 9-16)

This checklist must be completed as you start up your system. It will aid in preventing contamination from entering your water system and will help you identify problems with your system. You must complete the following tasks (if applicable), check completion of each task, and mail, fax, or e-mail a signed copy with a copy of the special purpose sample result to the IDEM Drinking Water Branch. Make and keep a copy for your records.

Review Sampling Requirements	Done?
Review sampling schedule available at myweb.in.gov/IDEM/DWW/ or you can call 1(800) 451-6027 ext. 47430	Yes
