BEFORE THE INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

IN THE MATTER OF THE	)
HARRISON COUNTY REGIONAL	)
SEWER DISTRICT'S PETITION TO	)
AMEND ITS FORMATION ORDER	)

PETITION TO MODIFY ORDER ESTABLISHING DISTRICT

COMES NOW, the Harrison County Regional Sewer District (hereinafter "the District"), pursuant to I.C. 13-26-1-2, and petitions the Indiana Department of Environmental Management (hereinafter "the Department") to modify the order by which the District was formed by modifying the term of service of an appointed board member to serve until a replacement appointment is made by the respective body responsible for the appointment. In support of this Petition, the District states as follows:

1. The District was organized and created in the State of Indiana, Harrison County, by Order of the Department on or about September 23, 2005 for the purpose of the collection, treatment and disposal of sewage within the District.

2. The District's Board of Directors consists of seven (7) members appointed by different governing bodies, which all serve a term of four (4) years.

3. That the current Order states that the terms of the District shall end on December 31 of the calendar year of year four (4) of their term. Board members have served in this capacity since the District was established.

4. The District Board has determined that in order to provide for the most efficient oversight of the District and to avoid unnecessary vacancies, that any duly appointed Board member shall continue to serve at the completion of their four (4) year term until a duly appointed member has been appointed by the appropriate appointing governing body.

5. That upon the appropriate governing body making their respective appointment, such appointment shall serve any remaining part of that appointment's four (4) year term.

6. The District accordingly requests the Department to modify the District's formation order so that the portion of the formation order pertaining to the appointment of board members states as follows:

    a) All appointment terms shall be for a period of four (4) years or until the appropriate governing body has made their appointment.

7. The District does not seek to modify the formation order in any other respect.

8. That on March 19, 2021, the District Board of Directors approved Resolution 2021-01 authorizing the preparation and filing of this petition in compliance with I.C. 13-26-1-2(a). A true and correct copy of said resolution is attached to this Petition, marked as Exhibit A.

9. The District hereby authorizes the Department to contact Tom Tucker, Board President, for the purposes of acting on behalf of the District and responding to inquiries and additional information requests presented by the Department for the purposes of its review and consideration of this Petition.

WHEREFORE, the Harrison County Regional Sewer District respectfully requests that the Indiana Department of Environmental Management authorize a modification to the District's formation order as set out herein, and for all other relief just and proper in the premises.

Respectfully submitted,

Tom Tucker

Tom Tucker, President
Harrison County Regional Sewer District
Board of Directors
