 - a. Pursuant to 326 IAC 2-8-11.1, any person proposing to add additional emission units, modify existing emission units, or otherwise modify a Federally Enforceable State Operating Permit ("FESOP") source as described in this section shall submit a permit revision request in accordance with this section.

Respondent failed to submit a permit revision request prior to adding the Ware natural gas-fired boiler, identified as Rental, in violation of 326 IAC 2-8-11.1.
6. Respondent was issued FESOP No. 009-43602-00016 on March 31, 2021 to permit the boiler.
7. Orders of the Commissioner are subject to administrative review by the Office of Environmental Adjudication under IC 4-21.5; however, in recognition of the settlement reached, Respondent acknowledges notice of this right and waives any right to administrative and judicial review of this Agreed Order.

II. ORDER

1. This Agreed Order shall be effective ("Effective Date") when it is approved by Complainant or Complainant's delegate, and has been received by Respondent. This Agreed Order shall have no force or effect until the Effective Date.
2. Respondent shall comply with FESOP No. 009-43602-00016 unless superseded by permit modification or renewal.

The interest shall be computed as having accrued from the Due Date until the date that Respondent pay any unpaid balance. Such interest shall be payable to the Environmental Management Special Fund, and shall be payable to IDEM in the manner specified in Paragraph 5, above.
7. Signatories to this Agreed Order certify that they are fully authorized to execute this Agreed Order and legally bind the party they represent.

11. In the event that any terms of this Agreed Order are found to be invalid, the remaining terms shall remain in full force and effect and shall be construed and enforced as if this Agreed Order did not contain the invalid terms.
12. This Agreed Order is not and shall not be interpreted to be a permit or a modification of an existing permit. This Agreed Order, and IDEM's review or approval of any submittal made by Respondent pursuant to this Agreed Order, shall not in any way relieve Respondent of the obligation to comply with the requirements of any applicable permits or any applicable Federal or State laws or regulations.

13. Complainant does not, by its approval of this Agreed Order, warrant or aver in any manner that Respondent's compliance with any aspect of this Agreed Order will result in compliance with the provisions of any permit, order, or any applicable Federal or State law or regulation. Additionally, IDEM or anyone acting on its behalf shall not be held liable for any costs or penalties Respondent may incur as a result of Respondent's efforts to comply with this Agreed Order.
14. Nothing in this Agreed Order shall prevent or limit IDEM's rights to obtain penalties or injunctive relief under any applicable Federal or State law or regulation, except that IDEM may not, and hereby waives its right to, seek additional civil penalties for the violation specified in the NOV.
15. Nothing in this Agreed Order shall prevent IDEM or anyone acting on its behalf from communicating with the U.S. Environmental Protection Agency ("U.S. EPA") or any other agency or entity about any matters relating to this enforcement action. IDEM or anyone acting on its behalf shall not be held liable for any costs or penalties Respondent may incur as a result of such communications with the U.S. EPA or any other agency or entity.
