Hi Kelsey,

The profile is still in a pending status, I will reach out again to my profile team.

I know we have been backlogged with the end of the year and the amount of rush request.

Timothy,

Good afternoon. I was just wondering about the status of the drum we are trying to get rid?

Thank you,

Kelsey St.Clair

SUBJECT: 30 Day Status Report

1. Documentation of attempts to dispose of the one 30 gallon drum of hazardous waste is attached. An email chain from Safety-Kleen says they are waiting on profile approval and a pick up date.
2. There has not been any change in the amount or the accumulation area. The single 30 gallon drum is still located in building 688 on the hazardous waste secondary containment and is getting inspected daily (see attached inspection sheet).
